

FULL DAY SANI PASS / LESOTHO TOUR

After an early morning collection from your hotel, travel inland past Pietermaritzburg and through the Natal Midlands.

Arrive at the foothills of the Southern Drakensberg and travel in a 4x4 vehicle up the steep and spectacular Sani Pass, up into the 'Roof of Africa'. As you rise over the escarpment you cross over into the Mountainous Kingdom of Lesotho.

Enjoy the opportunity of visiting a traditional village and learn about the local people's traditions and way of life. Taste some local beer and bread before having lunch at the highest pub in Africa.

Descend the Sani Pass and back into South Africa for your trip back to Durban. You will arrive back at your hotel in the early evening.
