

Dear Madam, Dear Sir,

We are really proud to inform you that we launched in November 2009 in South Africa, right after the USA, SOLISTEN®, the new Sound Training Therapy by TOMATIS®.

The device, specially designed to stimulate the Auditory Processing System, is affordable, easy to use and can be easily integrated to your daily practice to achieve faster and more intrinsic goals with your clients.

SOLISTEN can improve many areas:

- Auditory Processing
- Sensory Integration
- Speech and language
- Learning processes
- General Wellness
- Concentration/Attention/Memory
- Anxiety
- Depression
- Stress

As a Psychologist you will, certainly, be interested to learn more about Solisten and we are very pleased to announce that we will organize several presentations for therapists in your country about **The Tomatis Method and Solisten: our new home based program.**

These presentations will better inform you with regards to the product and its capabilities. Video material will show pre and post situations of clients who have undergone the program. You can read more about our products and research at [www.so-listen.com](http://www.so-listen.com)

These conferences will be led by Maude Le Roux, Occupational Therapist, and Thierry Gaujarengues, President of Tomatis Developpement SA.

- In Johannesburg: March 24<sup>th</sup> at Pembi Centre - Sandton
- In Bloemfontein: March 25<sup>th</sup> at Martie Du Plessis School - Fichardtspark
- In Cape Town: March 26<sup>th</sup> at Ruslamere conf. Centre - Durbanville

Each presentation will commence at 9am and end at 12pm, at no cost to you, and morning tea, coffee and appetizers will be served.

Let us know that you are interested to attend a presentation by responding to: [maude@atotalapproach.com](mailto:maude@atotalapproach.com) and we will forward you an invitation.

We are looking forward to meeting you soon.  
Best regards,

Thierry GAUJARENGUES
