

POST: Inclusive Education Team Psychologist – Langerug SLD School

(Contract position)

BRANCH:

CHIEF DIRECTORATE:

DIRECTORATE: Inclusive Education

LOCATION: Langerug School, Worcester, Cape Winelands district

SALARY: Entry level Grade 1 (OSD)

REQUIREMENTS: Applicants must be in possession of an appropriate qualification that allows registration with the HPCSA as psychologist in a relevant registration category. They should be registered with the South African Council of Educators (SACE) have knowledge and understanding of education legislation and policies. The incumbent must be able to promote inclusive education which includes promoting access to quality public funded education for learners with disability. They should have experience in working as part of a team and collaborating with stakeholders. They should be able to take initiative, work under pressure and problem-solve if and when necessary. Experience in coordinating education and other support for learners with specific learning disabilities will be an added advantage. The incumbent will function as part of the Inclusive Education Outreach Team. The job involves travelling and therefore a valid driver's licence is a requirement. The applicant must have advanced computer skills.

DUTIES: Implement psychological and psycho-educational capacity-building programmes for the early identification of and interventions relating to psychological barriers to learning and development. Provide specialised psychological support to strengthen District- and School-Based Support Teams (DBSTs/SBSTs). Job description available.
