IX International Symposium “Psychology and Human Development”

October 20-24 / 2025

Introduction

The Department of Psychology of the Central University "Marta Abreu" of Las Villas and the Provincial Group of the Society of Psychologists of Villa Clara, call for the **IX edition of the International Symposium "Psychology and Human Development"** , to be held within the framework of the **V International Scientific Convention on Science, Technology and Society** to be held from October 20 to 24, 2025 at the Cayos de Villa Clara Tourist Destination, Cuba.

"Science and well-being"

Invitation

The objective is to promote scientific exchanges, as representatives of a science that is gaining maturity and experience in human improvement, at a time of changing situations, reorganization, and necessary adjustments. Together we will find greater opportunities for life satisfaction through interdisciplinary, multidisciplinary, and transdisciplinary perspectives.

**IX International Symposium
“Psychology and Human Development”**

October 20-24 / 2025

Thematic axes

1. **Contemporary Trends in Psychology.** Epistemology, Methodology, and Multidisciplinary.
 2. **Health, Education and Human Well-being.**
 3. **Psychology and Society:** Current Challenges.
 4. **Professional experiences** for human development in different areas of performance.
